EJTN ADMINISTRATIVE LAW PROJECT
Public Procurement Seminar

[AD/2019/05]

With financial support from the Justice
Programme of the European Union

The EJTN Seminar on EU Public Procurement Law is aimed at providing national judges with good understanding of the key concepts, principles and themes of the EU Public Procurement Legislation and an update on the case law of the EU Courts. Special attention will be paid to remedies and enforcement and

on the divergences between rules and procedures at national level.

The event will provide a forum for discussion of practical questions and challenges faced by the judges in their day-to-day application of EU Public Procurements rules.
